Message from our

CHIEF EXECUTIVE OFFICER

At Infocepts Foundation, we have always believed that the most meaningful thing a company can do is show up -not just with resources, but with commitment. That belief is what "Care for Our Communities" means to us.

In FY 2025-26, we asked ourselves a harder question: Are we building something that outlasts our involvement? That shift changed how we designed every initiative- moving from outreach to infrastructure.

Across education, healthcare, environment, and community development, our focus moved from presence to partnership-from outreach to infrastructure.

As I look ahead, I remain committed to impact that compounds - driven by innovation, honest partnerships, and a long-term view. Our communities grow when we show up.

Find your way to volunteer this year.

Shashank Garg

Founder CEO

Message from our

CHIEF PEOPLE OFFICER

At the core of Infocepts Foundation's CSR philosophy is the belief that people drive change. Our focus has been on fostering inclusion, empathy, and collaboration-ensuring that every initiative reflects a human-centered approach.

During FY 2025-26, we actively nurtured a culture where associates, volunteers, and partners contribute meaningfully to community development. Through engagement-led initiatives, we not only supported beneficiaries but also strengthened a sense of ownership and purpose among our people.

By encouraging participation across levels and geographies, we have created a shared ecosystem of responsibility-where impact is not just delivered, but collectively experienced.

This culture of care and collaboration continues to be the foundation of our CSR journey, enabling us to build stronger, more inclusive communities.

Smrita Dubey

CPO

Message from our **CSR HEAD**

Stepping into FY 2025-26, we set out with a clear objective-to transform our CSR approach into a high-impact, execution-led model capable of delivering scalable and sustainable outcomes. This vision translated into strengthening operational systems, enhancing partner collaboration, and driving efficiency across all initiatives. Our work across education, healthcare, environment, and community development has been rooted in measurable impact. By focusing on outcome-based implementation, we ensured that initiatives such as skill development, scholarships, and sustainability programs create lasting change in the communities we serve. A strong emphasis on monitoring, evaluation, and process discipline allowed us to scale our efforts while maintaining high standards of quality and accountability. This has enabled us to maximize both reach and effectiveness. Going forward, we remain committed to advancing a strategic CSR framework that not only delivers impact but also builds resilient communities through consistent, transparent, and purpose-driven execution.

Sunil Kumar Narware

CSR Head

Message from our CSR LEAD

FY 2025–26 stands as a testament to our commitment to converting intent into tangible, measurable outcomes-positively impacting over 1,26,269 lives across our core focus areas. From supporting 92 scholars and enabling digital learning for 1,000+ students, to empowering 190+ youth with sustainable livelihood opportunities, our initiatives have been driven by long-term impact.

Our healthcare interventions reached 7,500+ beneficiaries, while our environmental efforts-planting over 1,200 trees, developing the Agro Oxygen Park, and generating 50 tonnes of biochar from 250+ acres of cotton stalks-continue to reinforce our focus on sustainability.

Guided by the collective strength of our partners, volunteers, and communities, we remain dedicated to strengthening last-mile delivery and expanding our reach to create meaningful and enduring change.

VOICE OF INFOCEPTIANS

At Infocepts, CSR reflects how we choose to show up beyond business. The Infocepts Foundation brings this to life through grounded work - water bowls for birds during summer, vocational training for livelihoods, steps toward model villages, and scholarships for deserving students. What I value most is the consistency and intent of the Foundation team in driving real impact at the community level, with clear focus on outcomes over activity.

KULWINDER SINGH
Chief Marketing Officer

We rise by lifting others" - This belief lies at the heart of InfoCepts' CSR mission. During my time here, I have witnessed students from challenging backgrounds secure rewarding careers through InfoCepts' scholarships, young people gaining livelihood opportunities through training and placements, and numerous environmental conservation efforts - the list goes on. I am excited to contribute more in this ongoing journey of impact!

ANKITA BHATTACHARYA
Manager – Retail & Consumer

I sincerely appreciate the InfoCepts CSR Programme for its well-planned and impactful initiatives that reflect a strong commitment to social responsibility. The structured approach, transparent execution, and strong cross-team collaboration have enabled meaningful contributions across environmental, healthcare, and community development areas. Overall, the programme is a great example of collective effort driving positive change.

JAGDISH KADAM
Manager – IT Enterprise Technology

VOICE OF INFOCEPTIANS

As part of Infocepts Foundation's CSR initiative, volunteers in Bangalore supported local communities through meaningful and collaborative efforts. The program focused on holistic development by providing essential resources and engaging with beneficiaries. This initiative enhanced volunteers' understanding of grassroots challenges and reinforced empathy, teamwork, and social responsibility. It highlighted how collective efforts, even on a small scale, can create meaningful impact and drive sustainable community growth.

SHWETA MANGALKAR

Assistant Manager - Talent Acquisition

In the sphere of regional corporate responsibility, the Infocepts Foundation in Nagpur, Maharashtra, provides a noteworthy model of targeted social investment. By channeling resources into tech scholarships, MIHAN vocational training, Butibori healthcare infrastructure, and rural tree-planting drives, it directly bridges distinct regional gaps. This structured approach demonstrates how corporate centers can systematically transform local livelihoods while advancing global sustainability goals.

MRUNAL NIKAM

Deputy Manager – Finance and Legal

CSR is not charity; it is continuity. Infocepts sees the whole picture, a child with a scholarship becomes a leader; a sapling becomes a forest; a clinic becomes a lifeline; a skill becomes a livelihood. Together, these projects are not isolated acts of charity, they are interconnected waves of continuity, shaping a future where progress and responsibility walk hand in hand.

RAINA PANDE

Senior Executive – CS and Legal

COMMUNITY CHAMPIONS

At Infocepts, CSR goes beyond responsibility—it comes from a genuine place of care and purpose. Every initiative, whether a health camp, blood donation drive, or community effort, is driven by the desire to make a real difference.

These are not just activities, but meaningful moments to connect, support, and uplift lives. With every small step, there is an effort to bring hope, dignity, and positive change to the communities they serve.

ARYAN GUNJEWAR

CSR Intern

Promoting healthier communities is deeply valued at Infocepts, driven by a sincere commitment to care and impact. Through health awareness efforts and contributions to CSR initiatives, every step reflects a purpose beyond action.

These efforts are not just about programs, but about reaching people, spreading awareness, and making healthcare more accessible—turning CSR into a journey of compassion, connection, and lasting change.

ASHWIN MASULKAR

CSR Intern

Creating a sustainable future is something Infocepts truly cares about, with a strong focus on both the environment and community well-being. Every effort, from tree plantation drives to broader CSR initiatives, reflects this sense of responsibility.

These are not just activities, but meaningful steps towards nurturing nature, supporting communities, and building a future that lasts—with purpose, care, and collective effort.

AKSHATA BOKADE

CSR Intern

ABOUT US

Students benefited from our Digital Literacy Support Program through donated computers.

400+

Students benefited from donations made for school infrastructure construction.

360+

College students participated in CSR volunteering activities.

250+

Acres of cotton stalks generate 50 tonnes of biochar.

190+

Unemployed youths trained and placed by our Skill and Entrepreneurship Institute.

100+

Students benefited from donations made for Anganwadi construction.

92+

Engineering students received the "Infocepts Innovate for Impact Scholarship".

65+

Orphan students benefited through the distribution of food kits, books, and clothing.

61+

Units of blood donated through Two Blood Donation Camps.

42+

Underprivileged students participated in the Diwali celebration with Infoceptians.

5+

Students with disabilities benefited from Tally software training.

4+

Bedded NICU ward Infrastructure support to hospital.

3+

Autistic students benefited from the rehabilitation program.

SUSTAINABLE DEVELOPMENT GOALS

The Sustainable Development Goals (SDGs) represent a universal call to action to build a more fair, just, and equitable world—ensuring that no one is left behind. Adopted in 2015 by all Member States of the United Nations, the 2030 Agenda for Sustainable Development outlines 17 interconnected goals designed to address the world’s most pressing challenges, including poverty, inequality, climate change, environmental degradation, health, and education. These goals provide a shared global framework that guides governments, organizations, and communities toward creating a more peaceful, inclusive, and sustainable future.

Recognizing the power of collective action, businesses today play a critical role in advancing these global priorities by integrating them into their core strategies and community initiatives. At Infocepts Foundation, the SDGs serve as a guiding framework that shapes our approach to creating long-term, sustainable impact.

While the SDGs are deeply interconnected, Infocepts Foundation strategically aligns its CSR initiatives with 13 priority goals that closely resonate with our focus areas—education, healthcare, sustainability, and community development. Through this focused alignment, we aim to drive meaningful, measurable outcomes, strengthen ecosystems, and contribute to inclusive growth at the grassroots level, ensuring that our efforts create lasting value for communities we serve.

INFOCEPTS SDGS

Created livelihoods for underprivileged individuals, empowering them with economic opportunities and stability. These efforts have provided long-term support for families in need.

Served 36,500+ mid-day meal plates annually to government school students, improving attendance and learning outcomes, while also supporting 2000+ flood-affected communities with essential meals.

Conducted regular health checkups for all employees, fostering a culture of well-being and proactive healthcare. This has led to improved overall health and productivity.

Provided scholarships and computers to over 1050+ students to help them pursue higher education, bridging the digital divide and enhancing learning opportunities.

Promoted gender equality through equal employment opportunities and non-discrimination policies, which support inclusivity and empowerment within the organization.

Initiated rainwater conservation programs in nearby villages to enhance water availability and sustainable resource management for the indigenous communities.

Offered skill development training to over 190+ youths, equipping them with the competencies needed for employment which increased their employability in the job markets.

INFOCEPTS SDGS

Continued innovation to reduce environmental impacts, leveraging technology to enhance operational efficiency and sustainability in our business operations.

Promoted equal employment opportunities and non-discrimination across all levels of the organization. These efforts ensure inclusivity and respect for diversity in the workplace.

Contributed to creating sustainable communities by supporting initiatives like planting trees to enhance green spaces and implementing waste management practices.

Recycled over tons of waste and implemented zero-waste systems to minimize environmental footprints. These measures have significantly reduced landfill contributions.

Committed to reducing emissions by over 62% by 2034 from 2025 levels, aligning with global climate targets. This commitment underscores our leadership in climate responsibility.

Planted over 1250+ trees to create an oxygen park, contributing reforestation and to biodiversity enhancement. This project also improves air quality and ecosystems.

Infocepts Foundation

We are committed to building a better, more equitable, and sustainable world. Guided by our values and driven by innovation, we contribute towards the Sustainable Development Goals (SDGs) through impactful initiatives that create lasting change.

INNOVATE FOR IMPACT SCHOLARSHIP

Empowering future-ready talent through education, inclusion, and opportunity

The Innovate for Impact Scholarship, a flagship CSR initiative by the Infocepts Foundation, empowers meritorious students from economically disadvantaged backgrounds to pursue careers in AI, ML, and Data Science. In FY 2025–26, the program supported **92 students** across Nagpur, Pune, Chennai, and Bengaluru, ensuring strong regional inclusivity.

The scholar profile reflects a thoughtfully balanced representation of need-based criteria: **40%** from low-income families (below ₹1.2 lakh annually), **35%** from farming or informal livelihood households, and **25%** from single-parent families, together forming a holistic **100%** need-based segmentation.

A transparent, merit-driven selection process, enabled by Aadhaar authentication, DigiLocker verification, and structured interviews, ensures fairness and credibility. With direct fund disbursement to institutions through our implementation agency Buddy4study, the program maintains efficiency and accountability. Beyond financial assistance, the initiative reduces dropout risks, builds confidence, and enables access to future-ready careers, reinforcing Infocepts' commitment to nurturing a skilled, diverse, and inclusive workforce ecosystem.

SUCCESS STORY

Sneha's Story – From Rural Roots to a Professional Journey

Sneha Malewar's journey is a powerful reflection of how the right support at the right time can transform lives. Coming from a financially constrained background in Nagpur, her aspirations for higher education were met with significant challenges. It was through the timely support of the **Infocepts Foundation that she received a scholarship**, enabling her to continue her engineering education and move forward with confidence and dignity. More than just financial assistance, this support became a turning point—strengthening her belief in her potential and inspiring her to pursue a career in technology with determination. With a growing interest in data and problem-solving, Sneha steadily built her skills in areas like AI, automation, SQL, and Python, aligning her learning with industry needs.

Recognizing her dedication and potential, Infocepts further provided her with an opportunity to step into the corporate world as a Data Engineer Intern. This exposure not only bridged the gap between academics and industry but also helped her refine her capabilities in a real-world environment. Through consistent performance and continuous learning, Sneha **transitioned into a full-time role as an Associate Digital Transformation Office (DTO) professional at Infocepts—marking a significant milestone in her journey.**

Her story stands as a testament to the impact of Infocepts Foundation's commitment to empowering individuals. By nurturing talent and creating opportunities, Infocepts has not only supported Sneha's growth but also enabled her to build a stable and promising future, inspiring many others to believe that with the right support, possibilities truly become achievable.

Sneha

SUCCESS STORY

Saharsh and Karan's Story – From Rural Roots to a Professional Journey

Saharsh Sanjay Wadekar and **Karan Shalikram Gadekar** represent the transformative impact of opportunity, determination, and timely support. Coming from different backgrounds yet driven by a shared ambition to succeed, their journeys were significantly strengthened by the **Infocepts Foundation's scholarship initiative**.

For **Saharsh**, a bright young talent from Nagpur, the scholarship became a pivotal moment-enabling him to pursue his passion for technology with greater confidence. His dedication translated into academic excellence, graduating with an outstanding CGPA of 9.35 in Computer Engineering, and eventually securing a role as a Software Engineer (Salesforce Developer).

Karan, from a humble farming family in Jalna, carried forward a strong spirit of resilience despite financial constraints. The **scholarship from Infocepts Foundation** not only supported his education but also reinforced his belief in his potential. His journey was further shaped through the **Infocepts Bootcamp**, where he gained practical exposure, honed his technical skills, and developed industry readiness. This experience ultimately led to his placement at Infocepts, marking a defining milestone in his career.

Together, these stories highlight how Infocepts Foundation goes beyond financial aid to create meaningful pathways for growth-nurturing talent, building confidence, and bridging the gap between education and employment. By investing in young minds and empowering them through sustained support and opportunities, the Foundation continues to turn aspirations into achievements, inspiring countless others to dream bigger and strive further.

Saharsh

Karan

SKILL DEVELOPMENT PROGRAMS

Skill & Entrepreneurship Development Institute (SEDI) 2025-26

As part of its CSR commitment, Infocepts, in collaboration with the Ambuja Foundation (SEDI), implemented skill development programs to enhance employability among rural youth. Under this initiative, the **Assistant Electrician Training Program successfully trained 10 candidates**, all of whom were certified and equipped with practical skills in electrical work, safety practices, and hands-on operations. Demonstrating the program's impactful outcomes, **two trained candidates** secured an **opportunity with Infocepts**, reflecting the organization's commitment to not just skill-building but also enabling real career pathways.

The initiative expanded with the Assistant Mason Training Program at Kavadapur and Amgaon, Hingna, Nagpur where **40 trainees** were trained in modern construction techniques, material handling, and safety practices. This significantly improved their work quality, productivity, and earning potential across industry and self-employment opportunities further training in masonry, scaffolding, and concreting using industry-aligned methods.

Overall, the initiative empowered **40 beneficiaries**, enabling employment opportunities while strengthening livelihoods and supporting sustainable rural development.

SUCCESS STORY

Empowering Lives through Skill Development (SEDI Initiative)

The Skill Development through Entrepreneurship Development Institute (SEDI) program has been a catalyst for transforming lives by equipping individuals with employable skills and building pathways to sustainable livelihoods. The journeys of Hemantkumar Vilasrao Sayame and Jitendra Dadhore stand as strong testimonials to the power of structured CSR-led interventions.

Hemantkumar Sayame's journey reflects determination and the impact of guided skill enhancement. With a foundational interest in technical work, he enrolled in the Assistant Electrician course under SEDI, where he received hands-on training, practical exposure, and continuous mentorship. This structured learning environment enabled him to sharpen his technical competencies and gain industry-relevant experience. Today, as a Technician at Infocepts, Hemantkumar has achieved stable employment and is steadily progressing in his career. His story highlights how targeted skill development initiatives can unlock opportunities and enable individuals to build a secure future.

Similarly, **Jitendra Dadhore's** transformation underscores the program's role in empowering individuals with confidence and employable skills. Through SEDI's focused training, he strengthened his practical knowledge and developed the technical expertise required to transition into a professional work environment. Now working as a Technician at Infocepts, Jitendra attributes his success to the program that not only enhanced his capabilities but also enabled financial independence and career growth. His journey reflects the broader impact of skill-based CSR programs in uplifting individuals and supporting their aspirations.

Hemantkumar

Jitendra

SKILL DEVELOPMENT INITIATIVES

Enhancing employability through skill-building and digital inclusion initiatives

In 2025–26, Infocepts supported community development initiatives across Kolkata centres, focusing on digital literacy and vocational skills. Through computer education programs in three centres, over **60 students** gained essential skills such as presentations, internet usage, and resume building, while the **Huchukpara centre** trained **120 students**, enhancing employability and digital capabilities. Students learned to create resumes and apply for jobs online, with several pursuing data entry roles. To strengthen learning infrastructure, **10 laptops** were provided in 5 centers, leading to job placements in call centres and administrative roles.

Additionally, a driving training program enabled **30 beneficiaries** to obtain licenses and secure employment in the transport and logistics sectors, with many earning stable incomes. Electrician training for tribal youth further built practical electrical skills, enabling trainees to pursue jobs or self-employment.

The visit highlighted strong collaboration with the Anandan team and reaffirmed the scalability and impact of the SEDI model, continuing Infocepts Foundation's mission to these initiatives have enhanced employability, income generation, and self-reliance among underserved communities. By integrating digital education with vocational training, Infocepts continues to empower youth and support sustainable livelihoods at the grassroots level.

DIGITAL EDUCATION INITIATIVE

Empowering students through technology-enabled learning

Infocepts Foundation continues to champion inclusive education by leveraging technology to create meaningful learning opportunities for neurodiverse students. In collaboration with the Arthashastra Neuro School Foundation, Chennai, this initiative focused on enhancing digital access for children with autism, enabling a more engaging and personalized learning experience.

As part of this effort, **6 laptops** were donated, benefiting over **25 students** by providing access to adaptive learning tools, virtual platforms, and communication-enhancing applications tailored to their unique needs. These resources are instrumental in supporting interactive education, skill development, and individualized learning pathways, helping students build confidence and independence.

Driven by the dedication of Infocepts CSR champions and volunteers, this initiative goes beyond infrastructure support to foster dignity, inclusion, and equal opportunity. By integrating technology with education, Infocepts Foundation reinforces its commitment to digital inclusion and holistic development, empowering neurodiverse communities to thrive and reach their full potential.

DIGITAL ACCESS FOR INCLUSIVE GROWTH

Supporting education and empowerment through digital literacy initiatives

As part of its commitment to inclusive growth and community empowerment, Infocepts Foundation advanced its **Digital Literacy Program** by supporting students in a government school located in the tribal region of Gondia. Responding to a request from the school, the Foundation donated laptops to enable students to develop essential computer skills and gain early exposure to digital education.

This initiative aims to bridge the digital divide by equipping underserved students with access to technology, thereby creating pathways to future opportunities in information technology and related fields. The program aligns with India's long-term development vision of Viksit Bharat 2047, emphasizing education, digital inclusion, and equitable access to resources.

The initiative was made possible through the guidance and support of Infocepts leadership and active participation from CSR champions and volunteers. The impact of this effort was also acknowledged by local Marathi media, highlighting the enthusiasm of students and the positive reception within the community. Through such initiatives, Infocepts Foundation continues to foster educational equity and empower the next generation through technology-enabled learning.

CHILDREN'S DAY CELEBRATION

Promoting Sports and Inclusion - Gumthi Village, Nagpur

Infocepts CSR Team, in collaboration with the NSS unit of Jhulelal Institute of Technology (JIT), Nagpur, conducted impactful initiatives aimed at promoting education, inclusion, and the holistic development of young learners. These efforts reflect the Foundation's commitment to creating supportive and inspiring environments for children from diverse backgrounds.

As part of a Children's Day celebration, the team engaged with students from a Zilla Parishad School through the distribution of educational materials and interactive sessions. The initiative encouraged confidence, self-belief, and awareness about the importance of education, while fostering motivation and aspiration among young learners.

Extending its impact further, a donation and engagement drive was conducted in Gumthi Village, Lonara, and at Divyajyoti Matimand Special School, Nagpur, benefiting **35 rural students** and over **150 especially abled (autistic) students**. The initiative included interactive activities and New Year celebrations, promoting joy, inclusion, and emotional well-being-reinforcing Infocepts Foundation's vision of building compassionate and inclusive communities.

STATIONERY DISTRIBUTION

Supporting education through essential learning resources

The Infocepts CSR Team, in collaboration with the NSS unit of Jhulelal Institute of Technology (JIT), celebrated Children's Day with students of a Zilla Parishad School—reflecting Infocepts' strong commitment to nurturing future generations through education. As part of the initiative, **52 students** were provided with essential stationery, ensuring they are better equipped for their learning journey.

Beyond material support, the engagement focused on meaningful interactions, inspiring students to dream big, build confidence, and believe in their potential. These moments of encouragement reinforced Infocepts' vision of empowering young minds through consistent guidance and opportunity.

This initiative stands as a testament to Infocepts Foundation's belief that impactful change begins with small, purposeful actions—driving education, inspiring aspirations, and creating lasting value for communities.

DRIVING EDUCATION AND SKILL EXCELLENCE

CSR Engagement at Symbiosis International, Nagpur

Infocepts Foundation participated in the felicitation ceremony of graduates at the Symbiosis Centre for Skill Development (SCSD), Nagpur, celebrating the achievements of young learners and reinforcing the importance of skill development in building sustainable livelihoods. The event served as a platform to recognize the dedication and progress of students as they transition toward professional opportunities.

Distinguished guests emphasized the value of continuous learning, entrepreneurship, and social responsibility, inspiring graduates to pursue growth with confidence and purpose. The ceremony highlighted the critical role of skill-based education in preparing youth to navigate evolving industry demands and contribute meaningfully to society.

During the event, Infocepts Foundation showcased its diverse CSR initiatives across education, skill and entrepreneurship development, and environmental sustainability - including scholarships, skill programs, oxygen parks, and net-zero projects. This engagement reflects the Foundation's ongoing commitment to **empowering youth, strengthening communities, and driving inclusive, sustainable development.**

INFRASTRUCTURE DEVELOPMENT

Strengthening early childhood education through improved facilities

In 2025–26, Infocepts Foundation supported the development of an Anganwadi centre in Hingna, Nagpur, aimed at **improving early childhood infrastructure** and creating a safe, structured learning environment. As of February 2026, **80% of RCC plinth slab construction** has been completed, with key structural elements like flat slab roofing finished and further work on sloping slabs and finishing in progress.

The facility includes essential spaces such as an Anganwadi hall, kitchen and storage area, and toilets, with construction carried out using approved materials and in line with Indian standards. The project has made steady progress through ongoing structural work, brickwork, and plastering under regular supervision and quality checks.

Once completed, the centre will support early education, nutrition, and community engagement, strengthening foundational learning in underserved communities. Through this initiative, Infocepts continues to drive sustainable community development and long-term social impact.

FEEDING FUTURES, FUELING EDUCATION

Strengthening Learning Outcomes through Nutrition & Preventive Health

Promoting education, preventive healthcare, and the eradication of malnutrition, **Infocepts Foundation**, in partnership with Annamrita Foundation, supported a School Nutrition Program in Nagpur. The initiative directly **benefitted 100 students** at C.P. & Berar Primary School, Siraspath, while contributing to a larger ecosystem reaching **over 10,500 children daily**.

Through the provision of **nutritious mid-day meals 6 days a week**, the program addresses critical aspects of child nutrition, preventive health, and improved learning readiness. By reducing malnutrition and micronutrient deficiencies, the intervention has led to noticeable improvements in students' overall health, concentration levels, and classroom engagement.

A significant outcome observed has been the doubling of school attendance within one month, highlighting the strong correlation between nutrition, health, and sustained participation in education. This initiative not only supports physical well-being but also enables children to continue their education with dignity and improved learning outcomes. Through this focused effort, Infocepts Foundation reinforces its commitment to creating long-term, sustainable impact at the intersection of education and healthcare.

NEONATAL CARE ENHANCEMENT

Ensuring better health outcomes with upgraded **NICU** services

Swami Vivekanand Medical Mission (SVMM), a charitable healthcare institution serving Central India since 1974, identified the urgent need to strengthen neonatal critical care in response to the rising number of high-risk pregnancies and critical newborn cases in rural and semi-urban regions. Despite operating a 100-bedded hospital equipped with operation theatres, ICU, diagnostics, and a basic NICU, the existing infrastructure was increasingly inadequate to meet the growing demand.

To bridge this critical gap, **Infocepts Foundation supported** SVMM in the construction and establishment of a **full-fledged 4-bedded NICU, equipped** with advanced neonatal care technology and essential infrastructure. This intervention ensured the availability of timely, specialized, and life-saving care for newborns in the region, where no NICU facilities existed within a 15 km radius. Earlier, families were compelled to travel long distances, often resulting in delays and increased health risks for fragile newborns.

Aligned with government healthcare schemes such as PMJAY and MJPJAY, the upgraded NICU provides free or highly subsidized treatment for economically weaker sections, significantly improving accessibility to quality neonatal care. The initiative has led to reduced emergency referrals, enhanced survival rates, and strengthened the overall regional healthcare ecosystem.

Its impact is reflected in real-life outcomes—such as the successful stabilization of a critically ill newborn through timely NICU intervention—demonstrating how this initiative is enhancing infrastructure and saving lives offering hope to countless families.

(ARTERIAL SWITCH OPERATION PDA LIGATION)

HOSPITAL :
SWAMI VIVEKANAND MEDICAL
MISSION HOSPITAL, KHAPRI

A 9-day-old newborn, diagnosed with Transposition of the Great Arteries, was admitted for a life-saving heart surgery at Swami Vivekanand Medical Mission.

Doctors successfully performed the complex surgery, giving the baby a chance at a healthy life despite high risks.

The recovery phase turned critical, with breathing complications and a severe infection, leading to admission in the NICU.

During this crucial time, Infocepts Foundation supported the family by providing access to the NICU ward and financial assistance, ensuring uninterrupted treatment.

With continuous medical care, ventilator support, and strong treatment, the baby's condition gradually improved-breathing stabilized and infection came under control.

The baby's recovery stands as a testament to resilience, medical expertise, family faith, and **Infocepts Foundation's** compassionate support-saving a life and restoring hope.

The baby, once so fragile,
was now stable... feeding well...
breathing comfortably...
and ready to go home.

This 88-day journey at Swami
Vivekanand Medical Mission
was not just about treatment -
it was about dedication,
teamwork and unwavering hope.

A tiny heart was healed.
A life was saved.
And a family got their
happiness back

HEALTH & ENVIRONMENT AWARENESS DAY

Uniting communities for better health and a greener tomorrow

On Health & Environment Awareness Day, the Infocepts Foundation, in collaboration with Setu Welfare Foundation, marked the occasion with impactful activities across Nagpur, Pune, and Chennai-bringing together health, fitness, and sustainability. In Nagpur, over **660 participants** joined the Hepatitis Awareness Camp, featuring energetic Zumba warm-ups, smooth event coordination, medical guidance, and post-run recovery-highlighted by **CEO Shashank Garg leading the camp**.

In Pune, Infocepts associates partnered with Vasundhara Foundation for a tree care and nurturing drive, emphasizing long-term environmental responsibility beyond plantation, earning Infocepts a Token of Appreciation for its continued green efforts.

Meanwhile, in Chennai, volunteers conducted a beach clean-up at Thiruvanmiyur Beach, collecting waste to restore the coastline and promote environmental awareness.

Together, these initiatives, supported by Setu Welfare Foundation, reflected Infocepts Foundation's commitment to healthier people, a healthier planet, and stronger communities through meaningful CSR action.

FOUNDATION DAY CSR INITIATIVE

Blood Donation & Eye Donation Pledge

To mark its 21st Foundation Day, Infocepts transformed its celebration into a purpose-driven CSR initiative by organizing Blood Donation Camps across Nagpur, Pune, Chennai, and Bangalore, along with an Eye Donation Awareness and Free Eye Check-Up Camp in Nagpur. The initiative saw enthusiastic participation from employees, reflecting a strong culture of empathy, volunteerism, and community engagement. Infoceptians stepped forward as voluntary donors, contributing wholeheartedly to a cause that directly supports public healthcare systems. Through the blood donation drives, **61+ units of blood were collected**, significantly strengthening local blood banks and ensuring the timely availability of life-saving support for patients in emergencies, surgeries, and critical treatments.

Complementing this effort, the eye care initiative in Nagpur promoted preventive healthcare and raised awareness about organ donation. Free check-ups enabled early identification of vision-related concerns, extending essential healthcare services to the community. This multi-city initiative reflects how Infocepts integrates purpose into every celebration-creating meaningful societal impact by saving lives, enhancing healthcare access, and fostering a culture of giving back. By aligning employee engagement with community needs, Infocepts continues to demonstrate its commitment to responsible corporate citizenship and sustainable social impact.

PROMOTING INCLUSION THROUGH SPORTS

CSR Engagement in Pune

On 14 February, Infocepts CSR initiatives in Pune supported India's largest inclusive run, organized in collaboration with the Adventures Beyond Barriers Foundation (ABBF). The landmark event brought together over **7,000 participants**, including especially abled individuals, to **promote equality, accessibility, and social inclusion through sports**.

By sponsoring the event, Infocepts transformed its commitment to inclusion into meaningful on-ground action, fostering unity, determination, and a shared sense of purpose among participants. The initiative emphasized that inclusion is not only possible but essential for building stronger and more empathetic communities.

Active participation by Infocepts associates further strengthened the impact of the event, reflecting collective ownership of CSR values and reinforcing the organization's mission to create inclusive opportunities for all. This initiative stands as a testament to Infocepts' commitment to building a society where diversity is celebrated and everyone is empowered to participate equally.

AGRO OXYGEN PARK

Enhancing green spaces and promoting environmental sustainability

The Agro Oxygen Park initiative, led by Infocepts Foundation in partnership with Ambuja Foundation, is a flagship project aimed at building a sustainable green ecosystem in Dabha village, Nagpur. With a focus on biodiversity, climate resilience, and community participation, over **9,000 trees**, including native and medicinal species, have been planted to create a dense green cover.

The initiative is community-driven, with active involvement from the Gram Panchayat, farmers, and local groups. Key infrastructure such as land development, fencing, compost pits, nursery setup, a farm pond, and recharge pits has been established to support water conservation, improve groundwater availability, and enable efficient irrigation practices.

Through techniques like Miyawaki plantation, along with the development of herbal gardens and biodiversity spaces, the park has evolved into a hub for learning and recreation. The project has enhanced biodiversity, improved water levels, and increased environmental awareness, serving as a strong model for sustainable, community-led development.

BIOCHAR FOR SUSTAINABLE FARMING

Promoting eco-friendly agriculture and soil health through innovative solutions

Infocepts Foundation continues to advance environmental sustainability through its Biochar & Sustainable Agriculture Initiative, implemented in collaboration with Perna Vikas Society and Bhumisetu Climate Solutions between February and April 2026.

The project progressed seamlessly from setup to field execution, covering community mobilization, farmer training, biomass collection, and large-scale biochar production. A dedicated site at Kavdas village was established with Kon-Tiki kilns, enabling efficient and eco-friendly processing.

Through the initiative, **250+ acres of cotton stalks were utilized to generate nearly 50 tonnes of biochar**, promoting sustainable residue management and reducing harmful crop-burning practices. This intervention not only minimized environmental impact but also contributed to improved soil health, enhanced moisture retention, and long-term agricultural productivity.

The project also created meaningful livelihood opportunities for **30-40 local workers**, primarily women, fostering inclusive rural development and economic empowerment at the grassroots level.

Farmer training and awareness sessions further strengthened community adoption of sustainable agricultural methods, encouraging eco-conscious practices across the region.

Overall, the initiative reflects Infocepts' strong commitment to climate action, regenerative agriculture, and community resilience-delivering a powerful blend of environmental conservation and social impact.

INNOVATION DAY CSR BOOTH

Showcasing impact stories and promoting sustainable, innovative practices

A key highlight of **Innovation Day** was the CSR Booth, which showcased impactful stories and innovative initiatives undertaken throughout the year. It served as an engaging platform to connect employees with CSR efforts and create awareness about the meaningful change happening at the grassroots level.

One of the standout attractions was the biochar-based **"Bio Purify"** air freshener initiative. At the booth, employees were introduced to the concept of biochar, its production process, and its significant environmental benefits, including improving air quality and reducing carbon impact.

The initiative also highlighted Infocepts Foundation's support in funding the development of sustainable biochar-based products such as air fresheners, fertilizers, and other eco-friendly solutions, reinforcing its commitment to promoting innovation-driven and environmentally responsible practices.

TREE PLANTATION DRIVE - SEZ MIHAN

Celebrating national pride through environmental action and sustainability

On the occasion of Republic Day 2026, Infocepts celebrated the spirit of unity and national pride with great enthusiasm. As part of the celebration, our **CEO, Shashank Garg**, led a meaningful Tree Plantation Drive at SEZ MIHAN, Nagpur. This initiative reflected the organization's commitment to environmental sustainability and nation-building, encouraging employees to actively contribute to creating a greener future.

Continuing the momentum beyond Republic Day, our **CPO, Smrita Dubey**, further strengthened the initiative by driving tree plantation efforts at SEZ MIHAN. Her leadership emphasized the importance of sustained environmental action and collective responsibility, reinforcing Infocepts' vision of creating long-term impact through CSR initiatives focused on sustainability and community well-being.

TREE PLANTATION WITH ASSOCIATES

Driving green impact through employee participation

During FY 2025–26, the Infocepts Foundation demonstrated a strong commitment to environmental sustainability, with organizational leaders actively driving the Tree Plantation Initiative. On occasions such as **World Environment Day**, they collectively led plantation activities across multiple locations in Nagpur, promoting awareness about ecological balance and the importance of increasing green cover for a sustainable future

Inspired by these efforts, associates across Infocepts enthusiastically participated in tree plantation drives, especially on World Environment Day, contributing significantly to the overall impact. Their active involvement across locations such as **SEZ MIHAN**, SP Infocity, educational institutions, residential areas, and public spaces ensured broader community engagement and meaningful outcomes, reflecting a unified commitment to environmental stewardship and long-term sustainability.

LARGE-SCALE TREE PLANTATION INITIATIVE

Expanding green cover through impactful plantation efforts across Nagpur and Betul

During FY 2025–26, the Infocepts Foundation undertook a significant Tree Plantation Initiative, planting **1,270+ trees across Nagpur and Betul**. This effort was aimed at enhancing green cover across urban corridors, educational institutions, residential areas, and public spaces, reinforcing the organization's commitment to environmental sustainability and long-term ecological balance.

Key plantation locations included SEZ MIHAN, SP Infocity, Jhulelal Institute of Technology, Priyadarshini College of Engineering, Khapri Punarvasan, Lendra Oxygen Park, Ganesh Mandir Garden, Harbans Creations Society in **Maharashtra (Nagpur)**, and Shri Balaji Institute in **Madhya Pradesh (Betul)**. These diverse locations ensured wide geographic reach and meaningful community impact through the initiative.

DIWALI CELEBRATION WITH COMMUNITY

Spreading joy and togetherness through inclusive festive engagement

Infocepts Foundation organized a **Diwali celebration** at Galaxy Infocepts, Nagpur, celebrating the festival with compassion, creativity, and a spirit of togetherness. The event brought together Infocepts associates and **42+ underprivileged students** from Youth for Seva, creating a joyful and inclusive festive experience through engaging activities like diya painting and lantern making.

The celebration went beyond traditional festivities, focusing on meaningful engagement, shared experiences, and the joy of giving. It provided a platform for employees to connect with the children, fostering warmth, creativity, and a sense of belonging. With the active support of leadership, CSR champions, volunteers, and Infoceptians, the initiative successfully strengthened community bonds and spread festive cheer. Through such inclusive celebrations, Infocepts Foundation continues to reinforce its commitment to community upliftment-transforming festivals into opportunities for impact, empathy, and collective happiness.

COMMUNITY SUPPORT INITIATIVE

Supporting child welfare through essential resources and care

As part of its ongoing commitment to community development and child welfare, Infocepts Foundation, along with volunteers from the Bangalore office, Karnataka, extended support to Madhu Mansion Charitable Trust, an organization working for the well-being of underprivileged children in Bangalore.

Under this initiative, essential supplies were provided to **65+ children**, including nutritious food kits, academic books, clothing, and hygiene materials, aimed at supporting their health, education, and overall development. The initiative reflects Infocepts' holistic approach to community care, addressing both immediate needs and long-term growth.

The successful execution of this outreach was made possible through the dedication and coordination of Infocepts volunteers, whose efforts exemplified the organization's core values of empathy, responsibility, and service. This initiative further reinforces Infocepts Foundation's mission to create meaningful, sustainable impact across the communities it serves.

FLOOD RELIEF INITIATIVE

Delivering timely support and meals to communities affected by flooding

Infocepts Foundation, in collaboration with implementation partners Nagpur Mahanagar Palika (NMC) and Annamrita Foundation, extended emergency relief to **flood-affected communities** in the Pili Nadi area near Automotive Square, East Nagpur. The initiative aimed to provide immediate humanitarian support to families impacted by severe flooding.

As part of the relief efforts, **2,100+ flood-affected** individuals were served hot, nutritious meals, helping address urgent food requirements during the crisis. The initiative was successfully executed through close coordination between NMC, Annamrita Foundation (kitchen partner), and dedicated Infocepts CSR volunteers.

This relief operation reflects Infocepts Foundation's commitment to standing with communities during times of distress, reinforcing the values of compassion, collaboration, and social responsibility. Through timely intervention and collective effort, the initiative delivered not just meals, but dignity, reassurance, and hope to those affected.

FOSTERING JOY AND CREATIVITY

Building confidence and happiness through creative activities

Infocepts Foundation curated a heartwarming CSR engagement at its ABZ, Balewadi facility, specially designed to bring joy, creativity, and a sense of belonging to **28+ orphanage children from SOS Balgram, Pune**. The day was thoughtfully planned to ensure that the children could step into a space filled with happiness, encouragement, and carefree expression.

Through a vibrant painting activity, the children were given the freedom to explore their imagination, express their emotions, and build confidence in their abilities. The atmosphere came alive with colors, smiles, and a sense of pride in their creations.

Interactive games and group activities, led by enthusiastic Infocepts associates, added energy and laughter to the day—turning simple moments into lasting memories. Every interaction was driven by warmth and genuine connection, making the children feel valued and celebrated.

With strong support from Infocepts leadership and active CSR volunteer participation, the initiative was not just an event, but a meaningful effort to create joy and positive experiences for these young lives.

CORPORATE PHILANTHROPY AWARD 2025

Recognizing impactful CSR initiatives driving sustainable development

On July 27, 2025, at IIM Nagpur, the Infocepts Foundation was honoured with the **Corporate Philanthropy Award 2025**, presented by Crowdera, in recognition of its sustained and meaningful contributions to social development in the Vidarbha region. The award acknowledges Infocepts Foundation's strategic CSR approach focused on education, livelihood generation, environmental sustainability, and economic resilience.

Through its flagship initiatives-the Innovate for **Impact Scholarship, Skill Development Centre, Agro Oxygen Park, and Biochar Project**-the Foundation has empowered students, upskilled youth, supported farmers, restored ecosystems, and contributed significantly to carbon sequestration and sustainable agriculture. These scalable and replicable programs exemplify how purposeful corporate philanthropy can drive systemic and long-term impact.

This recognition reinforces Infocepts Foundation's commitment to building inclusive, sustainable communities and contributing to India's broader socio-economic development.

IMPLEMENTATION AGENCIES

THE ROAD AHEAD

Building stronger communities, protecting the environment, and creating sustainable impact through focused action and partnership.

OUR STRATEGIC FOCUS AREAS

EDUCATION & SKILLS

Education & Livelihood Enhancement
Scholarships, SEDI, skill centres, Anganwadi support, Mid-Day Meals, Tally training for PwDs, and Usha Silai programs.

Impact :
Increased employability, inclusive education, sustainable livelihoods.

HEALTH & PREVENTIVE CARE

Promoting Health Care
Health awareness runs, medical camps, blood donation drives, hospital support, and autistic rehabilitation programs.

Impact :
Improved access to healthcare and preventive services.

ENVIRONMENT & SUSTAINABILITY

Environmental Sustainability
Biochar Project, Oxygen & Entomophage Parks, and Tree Plantation with maintenance to strengthen soil health, biodiversity, green cover, and climate resilience.

Impact :
Improved ecosystems, carbon reduction, community stewardship.

LIVELIHOOD & ECONOMIC IMPACT

Livelihood Enhancement
Skill-to-employment pathways, employer linkages, entrepreneurship and market access initiatives.

Impact :
Job creation and income stability.

MEASURE & REPORT

CSR Rules – Impact Reporting
Outcome tracking, beneficiary stories, plantation survival audits, and CSR Impact Report publication.

Impact :
Evidence-based planning and continuous improvement.

CSR & GOVERNANCE

Section 135 & CSR Rules
Board-approved CSR budget, assigned pillar leads, monthly reviews, KPI tracking, and third-party impact assessment.

Impact :
Strong compliance, transparency, measurable outcomes.

THANK YOU

Your trust and support inspire us to continue creating meaningful impact and building stronger, more inclusive communities.

Together, we continue building a sustainable and better tomorrow.
